

## Clearance/AS-IS Product Warranty

Thank you for choosing our clearance or as-is laptops or desktop products. We stand behind the quality and functionality of our products and are pleased to offer you a 6-month limited warranty. Please carefully review the terms and conditions outlined below:

**Duration of Warranty:** The limited warranty is valid for 6 months from the date of purchase.

**Diagnostics and Testing:** In the event of a problem with the laptop, we provide 60 minutes of diagnostics and testing to identify the issue. This is included as part of the limited warranty coverage.

**Additional Labor and Parts:** If the diagnostics and testing reveal an issue requiring further repair, additional labor beyond the initial 60 minutes will be billed at our standard hourly rate. Additionally, the cost of any parts required for the repair will be the responsibility of the customer.

**Exclusions:** The warranty does not cover damages or defects resulting from accidents, misuse, neglect, unauthorized repairs, modifications, or any other causes beyond normal use. It also does not cover software-related issues or any damage resulting from software installation or updates.

**Limitations of Liability:** Our liability under this limited warranty is limited to the repair, and service, of the laptop or desktop, as described above. We are not liable for any indirect, incidental, or consequential damages arising from the use or inability to use the laptop. **Please note that this limited warranty is non-transferable and applies only to the original purchaser of the laptop.**

If you have any questions or require assistance regarding the warranty or any other concerns, please do not hesitate to contact our customer service team.
